<b>Purpose of Grant</b>	To fund an event aimed at connecting current UCSF students with UCSF alumni and the AAUCSF
<b>How does this event/project further the mission of AAUCSF?</b>	The Zero Year Reunion is an opportunity for current UCSF students to learn about the AAUCSF, and all of the benefits of joining the AAUCSF network after graduation. In particular, for the graduate division, this event is critical for introducing graduate students to the AAUCSF, as "graduation" for these students doesn't necessarily include a ceremony or formal transition to alumni status.
<b>Outreach Plans</b>	The GSA will advertise the Zero Year Reunion using student newsletters, fliers, and announcements.
<b>Received grant before?</b>	No, however this event was successfully organized in the 1980s by AAUCSF

<b>Proposed use of grant funding</b>	Funds will go towards the reservation of Millberry Union Gym.
<b>Expected Attendance</b>	1,000 people
